Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the North Street Reconstruction Project in fiscal year 2025. The entity to receive funding for this project is the Village of Johnson City, located at 60 Lester Ave Johnson City, NY 13790. The funding would be used for reconstruction of North Street from North Broad Street to Lester Ave. This includes design and construction for replacement of water, sanitary sewer, and storm sewer infrastructure, and ADA compliant sidewalks. The project is an appropriate use of taxpayer funds because the project will create a safe and walkable environment which will attract businesses to move there and encourage families to move and raise a family here.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marc Molinaro  
Member of Congress
