Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Town of Kinderhook Water Project in fiscal year 2024. The entity to receive funding for this project is the Town of Kinderhook, located at 3211 Church Street Valatie, NY 12184. The funding would be used for a new water source, adds roughly two miles of new water line, and replaces a section of existing, end-of-life water line. The project is an appropriate use of taxpayer funds because it adds a new water source, adds roughly two miles of new water line, and replaces a section of existing, end-of-life water line which has had 5 breaks in the past 12 months.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marc Molinaro  
Member of Congress
