Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the City of Norwich Sanitary Sewer System Repairs in fiscal year 2024. The entity to receive funding for this project is the City of Norwich, located at 1 city plaza Norwich, NY 13815. The funding would be used for the replacement of the sewer system. The project is an appropriate use of taxpayer funds because much of the system is clay tile pipe that has significant cracking at joints and along the lengths of the pipes. Repairing the sewer systems is necessary based on health and sanitation. If left unfixed, sewage will continue to leak into the ground.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marc Molinaro  
Member of Congress
