Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Town of Ulster Water District Tank Replacement in fiscal year 2024. The entity to receive funding for this project is the Town of Ulster, located at 1 Town Hall Drive Lake Katrine, NY 12449. The funding would be used for the replacement of a water tank. The project is an appropriate use of taxpayer funds because the current tank has over 70 leaks and the water tank is critical to the Ulster Water District in providing water storage capacity for fire flows and operating reserves during times of high demand.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marc Molinaro
Member of Congress
